## ADULT CLASSES

These classes are designed to give adults of all abilities the chance to play tennis and exercise in a fun, relaxed and social environment. With regular weekly drop in sessions, courses and round robin match-play the programme ensures that there is something suitable for everyone. Designed for adults who are looking to improve their fitness, play all year round and enjoy some great social events.

## PLAYER STANDARDS

All new players to the programme will receive a free introductory lesson by one of the Langley coaching team where they will be notified of the drop in session or course that is most suitable for their playing level. Players can only attend drop in sessions or courses that have been recommended by the Langley coaching team. This ensures all players enter the programme at the correct level and have a great experience at the club from their first session.
