JUNIOR CLASSES

The Langley junior classes provide all players the opportunity to learn the racket and ball skills needed to play tennis. Using LTA age guidelines and Langley skills tests we place all players in classes at an appropriate learning level with some players moving through levels at a faster rate than others and when ready players can be invited to join our performance programme.

3-4

TOTS

Players learn the basics, how to enjoy the game through a series of fun activities based on the fundamental areas of balance, co-ordination, agility, movement and racket and ball skills.

5-8

MINI RED

Players learn to serve, rally and score with a slow ball, as well as learning the movement and co-ordination skills needed for tennis. Players are encouraged to play fun match-play competitions using tie break scoring.

8-9

MINI ORANGE

Players develop a rounded game, learning a range of techniques and tactics. Courts are bigger and wider than the red stage but still smaller than full size courts. Players are encouraged to play fun match-play competitions using tie break scoring.

10

MINI GREEN

Players now put their technique and skills into practice on a full size court using a ball that is softer than the normal yellow ball. Players are encouraged to play fun match-play competitions with scoring extended to short sets.

11+

YELLOW

These players use regular size yellow tennis balls and play on the full court. This class concentrates on fun in a competitive environment. Players are encouraged to participate in the club tournaments and play normal sets.
